

LearningZen™

On-demand anywhere, anytime

**A low cost
easy to use
training system**

www.learningzen.com

Manage all of your organizational training easily while **increasing productivity** and **return on investment**.

It's on-demand training for anyone, anywhere.

LearningZen.com is different

No need for hardware and software or an IT support staff...and you can easily add Word, PowerPoint, Flash, video, audio, pictures and downloadable files into any course.

"The entire process was smooth and painless and the end result far exceeded our expectations."

Joseph A. Komosinski
State of New Jersey Health Department

LearningZen™

LearningZen.com features

A robust **Course Builder** that guides you in designing effective courses
